Children are FREE: children 17 and under come for free with their parents. Children under 14 must be supervised at all times by their parent. We recommend a minimum age of 10 to use the gym.

Out of Town Guest Passes: Members get 5 FREE guest passes a year. Additional passes are available to members at 50% discount off our walk-in prices for classes and gym use.

Couples Qualifications: two individuals living at the same address, as confirmed on I.D. or equivalent documentation, are eligible for couple rates.

Membership Freeze: members can freeze membership for a minimum of one month to a maximum of 6 months for medical reasons only, as documented by their physician. Freeze means that billing is suspended during the freeze period, and the contract is extended by the same time. If one member of a couple freezes, billing is reduced to the individual rate.
